Elton S. "Jack" Jackson
University of Maryland 1958
Masters from Maryland 1966

Coach Jackson, a native of Baltimore, succeeded H. Burton Shipley after Shipley retired with 38 years of service to the University of Maryland. Jackson has been associated with Baseball at Maryland since 1955. As an undergraduate he assisted Shipley with the Maryland varsity and coached the 1957 freshmen to a 9-1 record. Following his graduation in 1958 he remained to work on his Masters and continued as an Assistant Coach of the baseball squad. He led the Terps to their first ACC Championship in 1965 and repeated in 1970 and 1971. His Terps were the first to win two consecutive titles since Wake Forest in 1962 & 1963. The Terps are also the only team to win three titles since 1965.

When Jackson took over the Baseball program the Terps had finished higher than fourth only once. In the last nine years they have finished below third only once and in the last five years have never finished more than one game out of first while winning a pair of titles. The 1969 and 1972 teams finished only one-half game out of first due to rained out games, while the 1968 team was one game back due to the same reason.
